(NOTICE INVITING PRE-QUALIFICATION - CUM - TENDER (TWO COVER SYSTEM)
(E-Procurement)

NIT NO- DDP/N-46/2024-25

Dated: 26/03/2025

For and on behalf of the Dakshin Dinajpur Zilla Parishad, the Additional Executive Officer, Dakshin Dinajpur Zilla Parishad, invites sealed **Item Rate Basis** tenders for each of the following works by two cover system. Pre-qualification documents in a separate cover and Bid document with schedule rate in another cover are to be submitted by the **Manufacturer//Supplier/Contractor** who satisfy the terms and conditions set out in pre- qualification document.

Sl No	Name of the Work	Call No	Earnest Money (In Rs.)	Participation Charge (In Rs.)	Time allowed for Completion
1	2	3.	4	5	6
1.	Supply, fitting and fixing of Plastic Waste Collection Cage for BINSHIRA GP – 25 Nos, DHALPARA GP – 16 Nos, HILI GP – 16 Nos, JAMALPUR GP – 11 Nos, PANJUL GP- 11, CHINGISHPUR GP – 16 Nos (Total – 95) Nos	1 st Call	20,000.00	2500.00	45 days
2.	Supply, fitting and fixing of Plastic Waste Collection Cage for AMRITAKHAND GP- 7 Nos, Nos, CHAKVRIGU GP – 11 Nos, DANGA GP – 14 Nos, GOPALBATI GP – 15 Nos, JALGHAR GP – 15 Nos, NAJIRPUR GP- 6 Nos, PATIRAM GP – 24 Nos, VATPAR GP -8 Nos, (Total – 100 Nos)	1 st Call	20,000.00	2500.00	45 days
3.	Supply, fitting and fixing of Plastic Waste Collection Cage for BOALDAR GP-32, DWIPKHANDA GP – 6 Nos, GURAIL GP – 35 Nos, HARSURA GP- 18 Nos, MALANCHA GP – 4 Nos, (Total – 95 Nos)	1 st Call	20,000.00	2500.00	45 days
4.	Supply, fitting and fixing of Plastic Waste Collection Cage for RAMCHANDRAPUR GP-8 Nos, RAMPARA CHENCHRA GP-13 Nos, TAPANCHANDIPUR GP – 28, BELBARI-II GP – 3 Nos, CHALOON GP-12 Nos, SUKDEVPUR GP-5 Nos, ASHOKEGRAM GP- 6 Nos, (Total – 75 Nos)	1 st Call	20,000.00	2500.00	45 days
5.	Supply, fitting and fixing of Plastic Waste Collection Cage for Nos BASURIA GP-24 Nos, UDAY GP – 14 Nos, BATUN GP – 12 Nos, BHOOR GP – 3 Nos, DEOR GP – 21 Nos, RAMKRISHNAPUR GP-5 Nos, SAFANAGAR GP - 2 Nos, BRAJABALLAVPUR GP – 4 Nos, ELLAHABAD GP – 9 Nos, GANGURIA GP – 3 Nos, MAHABARI GP – 1 Nos, (Total – 98 Nos)	1 st Call	20,000.00	2500.00	45 days
6.	Supply, fitting and fixing of Plastic Waste Collection Cage for BAGICHAPUR GP- 5 Nos, BAIRHATTA GP – 2 Nos, GOKARNA GP-37 Nos, PUNDARI GP – 35 Nos, SHIRSHI GP – 21 Nos (Total – 100 Nos)	1 st Call	20,000.00	2500.00	45 days
7.	Supply, fitting and fixing of Plastic Waste Collection Cage for AKCHA GP -16 Nos, DEUL GP – 32 Nos, KALIKAMORA GP – 3 Nos, KARANJI GP- 7 Nos, KUSHMAND GP- 7 Nos, MALIGAON GP – 16 Nos, UDAYPUR GP – 11 Nos (Total – 92 Nos)	1 st Call	20,000.00	2500.00	45 days

Intending Tenderers may view & download tender documents from **e-procurement portal of Zilla Parishad of P & RD Deptt.'s website www.wbtenders.gov.in** from. **18-00 Hours on 26.03.2025 to 14-00 Hours On 03.04.2025.** The pre-qualification and bid documents duly filled in all respect should be submitted on-line through our **e-portal** before **14-00 Hours (as per server clock) on 03.04.2025.** Dakshin Dinajpur Zilla Parishad does not take any responsibility for the delay caused due to non-availability

of Internet connection or traffic jam etc. for **on-line** bids. The pre-qualification documents alone will be opened at **14-00 Hours on 07.04.2025**, by the Dakshin Dinajpur Zilla Parishad in presence of available tenderers present. The financial bid document of the technically qualified tenderers will be opened only after evaluation and selection of qualified tenderers, the date and time of which will be circulated later on. If the dates are changed due to un-avoidable circumstances intimation will be given in website and office notice board. No individual intimation will be issued in this connection.

Eligibility Criteria for Participation in tender & Information to Bidders.

1) Credential-

- i) Intending tenderers should produce credential of a similar nature of completed work of the minimum value of 40%(for 1st call), 30% (for 2nd call) and 20%(for 3rd call) of the estimated amount put to tender 5(five) years prior to the date of issue of the tender notice or
 - ii) Intending tenderers should produce credential of 2(two) similar nature of completed work each of the minimum value of 30% (for 1st call), 25%(for 2nd call) and 20%(for 3rd call) of the estimated amount put to tender during 5(five) years prior to the date of issue of the tender notice or
 - iii) Intending tenderers should produce credential of one single running work of similar nature which has been completed to the extent of 80%(for 1st call), 75%(for 2nd call) and 70%(for 3rd call) of more and value of which is not less than the desire value at (i) above
2. **The intending Tenderers should furnish a list of works executed by them / him / her of similar nature and magnitude as mentioned above with necessary certificate from the Government Sector, Zilla Parishad, Panchayat Samiti, Municipality and Public Sector undertaking regarding satisfactory performance of such works to be submitted at the time of receiving tender. In absence of the above details tender may not be accepted.**
3. The credential will be entertained as successfully Completion Certificate along with Work Order & Payment Certificate of the similar nature of works.
4. Income Tax return should be submitted/uploaded for the last 05 (Five) [Assessment year 20-21, 21-22, 22-23, 23-24 and 24-25 with the Technical Bid.
5. Self attested copies of Pan card, Professional Tax Clearance Certificate, PTPC, GST Registration Certificate, Provident Fund Certificate with upto date return, ESI Registration Certificate with update challan.Trade License. Registered Engineering Co-Operative Society and Registered Labour Co-Operatives must upload the Bye-Laws, and other papers and submit the same will full address of their authorized persons to sign the tender documents along with technical Bid papers. During scrutiny of Technical Bid/Tender documents if it is found that any information is incorrect the technical bid/tender documents will be rejected without assigning any reason thereof. The Tender Committee of Dakshin Dinajpur Zilla Parishad will have sole discretion to decide the eligibility of the Contractors on the basis of his submitted documents and evaluation and reserves the right to refuse any explanation to the Contractor without assigning any reason thereof and the decision of the Zilla Parishad Authority will be final in this respect. All papers will be verified with original papers as and when required.
6. **Intending bidders have to submit their bid on-line through e-procurement(two cover system) portal of Zilla Parishad of P & RD Deptt www.wbtenders.gov.in. The participation charge and the earnest money should be deposited as follows-**
- EMD payment procedure-**
- a) **Payment by Net Banking (any listed bank) through ICICI Bank Payment Gateway.**
 - i. On selection of net banking as the payment mode, the bidder will be directed to ICICI Bank payment Gateway webpage (along with a string containing a Unique ID) where he/she will select the Bank through which he/she wants to do the EMD on-line transition.
 - ii. Bidder will make the payment after entering his Unique ID and password of the bank to process the transaction.
 - iii. Bidder will receive a confirmation message regarding success/failure of the transaction.
 - iv. If the transaction is successful, the amount paid by the bidder will get credited in the respective pooling account of the State Government maintained with the Local point branch of ICICI bank at RN Mukherjee Road, Kolkata for collection of EMD against unique codes for identification of the tendering authority.
 - v. If the transaction is failure, the bidder will again try for payment by going back to the first step.

Payment through RTGS/NEFT-

- i. On selection of RTGS/NEFT as the payment mode, the e-procurement portal will show a pre-filled challan having the details to process RTGS/NEFT transaction.
- ii. The bidder will print the challan and use the pre-filled information to make RTGS/NEFT payment using his/her own Bank account.
- iii. Once payment is made, the bank would provide an **"UTR remittance number"** for successful transaction with which the bidder will come back to the e-procurement portal after expiry of 2 to 3 bank working days to enable the NEFT/RTGS process to complete, in order to verify the payment made and continue with his/her bidding process.
- iv. If verification is successful, the fund get credited to the respective pooling account of the State Government maintained with the local point branch of ICICI bank at RN Mukherjee Road, Kolkata for collection of EMD.
- v. Hereafter, then bidder will go to e-procurement portal for final e-submission of his/her bid within pre assigned last date of submission of e-tender.
- vi. If the payment verification is unsuccessful, the amount will be returned automatically by the system to the bidder's account.

- 8) The **Earnest Money may be forfeited**
 - a) If the Bidder withdraws the Bid after Bid opening (technical bid) during the period of Bid validity.
 - b) In the case of a successful Bidder, if the Bidder fails within the specified time limit to-
 - i) Sign the Agreement and/or
 - ii) Furnish the required Performance Security.
- 9) Bids from joint venture are not allowed.
- 10) The intending tenderers should know the fact 'that the rates in the BOQs are **inclusive** all duties, taxes, royalties, cess, [including 1% Cess under W.B. Building and other Construction Workers (Regulation of Employments & Condition of Service) Act, 1996], toll, taxes and other levies payable by the Contractor under the Contract to the State / Central Government for any other cause, shall
- 11) be included in the rates, prices and total Bid price submitted by the tenderer. **1% Cess under W.B. Building and other Construction Workers (Regulation of Employments & Condition of Service) Welfare Cess Act, 1996 will be deducted from the running bills.** No. separate claim on any circumstances will be allowed.
- 12) In this tender no arbitration will be allowed.
- 13) All the related documents are to be produced in original to this office as and when required.
- 14) No Mobilization/Secured advance will be allowed to selected agency.
- 15) Running payment for work will be made to the agency by Executive Officer, Dakshin Dinajpur Zilla Parishad/ Additional Executive Officer, Dakshin Dinajpur Zilla Parishad/ FC & CAO, Dakshin Dinajpur Zilla Parishad as the case may be as per availability of fund and as per norms.
- 16) The intending tenderers or any of their constituent partner shall neither have abandoned any work nor any of their contract have been rescinded during the last 05(five) years. Such abandonment or rescission will be considered as disqualification towards eligibility. Declaration in this respect has to be furnished by the intending tenderers in the form of affidavit without which the bid will be treated as non-responsive (specimen copy enclosed).
- 17) Any blacklisted organization/agency declared by the respective programme implementing. Agency will not be allowed to participate in the tender process, within the period for which it has been blacklisted declaration in this regard have to be submitted without which the bid will be cancelled.
- 18) The tenderers at their own responsibility and risk is encouraged to visit and examine the site of works and its surrounding and obtain all information that may be necessary for preparing the bid and entering into a contract for the work mentioned in the Notice. The costs of visiting the site shall be at the tenderer own expense.
- 19) Dakshin Dinajpur Zilla Parishad authority reserves the right to reject any or all tender bids without assigning any reason thereof and also may relax any term/condition or incorporate any new term/condition in this tender process, without informing all participating tenderers, in the interest of public service.

Documents to be enclosed along with the Technical Bid :

- i. Pan Card.
- ii. Professional Tax Clearance Certificates.
- iii. Valid Trade License.
- iv. Upto date IT Return (Last Three Five Years).
- v. GST Registration Certificate with update challan.
- vi. P.F. Registration Certificate with update challan.
- vii. ESI Registration Certificate with update challan.
- viii. 75% Bank Solvency certificate of quoted rate from any nationalize bank..
- ix. Annual turn over of Rs. 10.00 (Ten) Lakh in Supply work in last 3 years
- x. Completion Certificate of the work which the tenderer intended to furnish as support of proof of experience.
- xi. Work Order & Payment Certificate of the works, against which the completion is being submitted.
- xii. The tenderers have to submit catalogue of the item/product for which rate is offered. The catalogue must contain coloured photography, specification and dimension of machine, without which the bid will be cancelled.
- xiii. In case of Partnership Firm / Registered Company, the intending Tenderers are requested to submit the copy of the DEED of Partnership / relevant document in support of proof of so and Authorization Letter of signatory.
- xiv. Tenderer should produce at least 1(One) sample of the Plastic Waste Collection Cage (PWCC) for Quality Cost-Based Selection on 28.03.2025 at 12.00 Hours failing which bid will be cancelled.

Terms and Conditions:

- 1) All the Intending Tenderers are requested to visit the sites of works prior to the submission of Tender at their own effort and interest.
- 2) This Notice Inviting Tender will be treated as part of the Tender Document.
- 3) In case of any day, meant for this tender, appears to be an unscheduled holiday, the next working day will be treated as scheduled / prescribed day for the same purpose.
- 4) No materials, Tools & Plants etc. will be issued by Dakshin Dinajpur Zilla Parishad.
- 5) No preconditioned tender will be accepted.

- 6) All the rates of works are inclusive of all taxes, cess, levy, octroi, royalties, transportation, loading, unloading, stacking, etc including all other incidental charges therein.
- 7) The Successful Tenderer, herein after called the Contractor, will have to execute an agreement on a Non Judicial Stamp worth Rs. 100/- only.
- 8) **Time & Cost over-run will not be permitted. In case of any work not being completed by the contractor within the stipulated time-frame, necessary Penal Measure, will be impose delayed fine, according to Clouse 2(2911) i.e. 2% per month of awarded cost for the first month and as per resolution of Artho Sanstha Unnion-O- Parikalpona Sthaye Samity meeting additional days for over one month(30days) delayed fine will be imposed Rs.200.00 per day.**
- 9) As per memo no- 311-W(C)/1M-132/15 Dt- 28.03.18 issued by the Public Works Department, Govt. of West Bengal the Civil Contractor to participate the composite tender may be allowed to submit an agreement in non-judicial stamp paper of value Rs. 10/- with an electrical contractor for execution of electrical component of the work. In that case the electrical contractor will have to quality for all requirements on electrical works including credential, electrical contractor license should be valid till the tender process.
- 10) Self Attested copy of License for Electrical Contractor should be valid upto date of tender.
- 11) **Requirement of Principal Machineries which must be possessed by own/arranged through lease hold agreements.**
- 12) **As per Finance Memorandum No.- 4608-F(Y) Dated- 18.07.2018, the Additional Performance Security shall be obtained from the successful bidder, if the accepted bid value is 80% or less of the estimate put to tender, from the successful bidder having own prime machineries for construction of road works. If the successful bidder not having ownership of any of the prime machineries as stated above, the Additional Performance Security shall be obtained from the successful bidder if the accepted bid value is more than 10% less than the estimated amount put to tender. The Additional Performance Security shall be equal to 10% of the tendered amount. The Additional Performance Security will be deposited through *Cheque* through savings account no : 31194254645 (SBI, Balurghat) in favour of DDZP and submit the counter slip in the office of any working days.**
- 13) Eligible Agency will be submitted the photos and CD of works time to time.
- 14) Sub-allotment of work under any circumstances will not be permitted
- 15) Payment of any bill (running account/final) of proposed executed work may be made to Agency as per availability of fund.
- 16) **Original documents of all bidders may be verified during evolution of Technical Bids if required otherwise only lowest bidder's (L1) all documents will be verified before issue of work order.**
- 17) Work Order and Completion Certificate should be applicable for Solar Based electrical work.
- 18) Work Order and Completion Certificate should be applicable for High Mast work.
- 19) Work Order and Completion Certificate should be applicable for Internal Electrification work.
- 20) Any complaint regarding uploading tender should be informed to the undersigned in writing at least 07(seven) days before the closing date of NIT.
- 21) Cancellation of any tender due to unavoidable circumstance will lead to a fresh tender which will be treated as 1st call only.
- 22) **Time extension will not be allowed except suitable reasons.**
- 23) **Terms and conditions laid down in West Bengal Form No-2911 shall also apply mutatis- mutandis in this tender process.**
- 24) **All the relevant documents in support of proof own/lease of having machineries, Tools & Plants in possession of the Tenderer.**
- 25) Bidders are requested to follow Order No- 6770-F(Y) of Finance Department, Audit Branch, Govt. of West Bengal Dated – 26th December 2023 while submitting Tender Documents.

Sl No.	Category	Sub-Category	Sub-Category description	Select
1.	Certificate	Certificate	VAT/SALES TAX REGISTRATION CERTIFICATE ALONG WITH ACKNOWLEDGEMENT , PAN, LATEST IT ACKNOWLEDGEMENT, PTAX, PTPC, GST CERTIFICATE WITH UPTODATE RETURN, TRADE LICENSE	
2.	COMPANY DETAILS	COMPANY DETAILS-1	PARTNERSHIP DEED, CO-OPERATIVE SOCIETY BYLAW, MOA, TRADE LICENCE,COMPANY REGISTRATION CERTIFICATE	
3.	CREDENTIAL	CREDENTIAL-1	CREDENTIAL-1(WORK ORDER, COMPLETION CETIFICATE,PAYMENT CERTIFICATE	
4.	EQUIPMENT	MACHINERIES 1	MACHINERIES 1	

26) Technical specifications of Reverse Vending Machine

1. General Requirements

Purpose:	Collection of plastic waste, primarily PET bottles, in public areas.
Capacity:	Minimum 100, 1 litre each, bottles, storage capacity
Design:	Ergonomic design facilitating easy disposal and collection.
Aesthetics:	Must have a visually appealing, modern design that encourages public use.

2. Constructional Parameters

Material:	Heavy-duty galvanized steel or powder-coated metal to prevent rusting.
Wire Thickness:	Minimum 6-10 mm for frame strength.
Structural Stability:	Must withstand wind speeds of at least 50 km/h and minor impacts.
Frame & Stand:	Reinforced metal frame with a sturdy base to prevent tipping.
Anti-Theft Features:	Lockable opening for controlled waste collection and maintenance access.
Weather Resistance:	Should endure outdoor conditions like rain, heat, and humidity without degradation.
IEC usage:	Design should be IEC friendly.
Scope for Information Sharing:	Design should have scope for sharing important information.

3. Technical Parameters

Mesh Opening Size:	Should allow easy disposal of bottles up to 2 litres while preventing non-plastic waste.
Access & Collection Mechanism:	Bottom or side opening with a secure locking mechanism. Movable body to facilitate collection of waste.
Drainage:	Should have a drain system for liquid residues to avoid stagnation.
Weight:	Should be lightweight yet sturdy, preferably less than 20 kg, for easy relocation.

4. Safety Features

Non-Toxic Coating:	Paint and coatings should be lead-free and environment-friendly.
Edge Protection:	No sharp edges or protrusions that could cause injuries.
Fire Resistance:	Material should have fire resistance to prevent accidental combustion.
Public Safety:	Openings should prevent public from inserting hands/body inside, if done, it should not get stuck.

5. Performance Standards

Lifespan:	Minimum 5 years warranty against rusting and structural failure.
UV Resistance:	Must withstand direct sunlight exposure without paint peeling or metal degradation.
Ease of Cleaning:	Surface should be easy to wipe, hose down, and maintain with minimal labor.
Public Engagement:	Design should attract public participation and encourage waste segregation.

6. Certification & Compliance

Material Certification:	Should comply with ISO 9001 (Quality Management) and ISO 14001 (Environmental Management).
Safety Compliance:	Must meet public safety standards for installation in public areas.
Corrosion Resistance Certification:	Should have proof of salt spray resistance testing.
Manufacturer's Warranty:	Minimum 3 years of warranty against defects.

27) Quality Cost Based System Tender Evaluation (QCBS):

A **Quality Cost-Based Selection (QCBS)** system in tendering is a **procurement evaluation method** that balances **both quality and cost** to ensure that the selected bidder offers the best value rather than simply the lowest price. It is used to **prevent underbidding** while promoting **high-quality solutions**.

◆ Key Principles of QCBS

1. Weighted Evaluation

- ☐ The bid is evaluated using a **combined scoring system** where:
 - ☐ **Technical Score (Quality):** 60-80% weight
 - ☐ **Financial Score (Cost):** 20-40% weight

2. Quality-First Approach

- ☐ Unlike a **Lowest Cost (L1) system**, QCBS does not award contracts to the lowest bidder if they fail on quality parameters.
- ☐ It **prioritises performance, durability, and efficiency** over just price.

3. Multi-Stage Evaluation

- ☐ The process generally includes:
 - ☐ **Pre-qualification** (Compliance Check)
 - ☐ **Technical Evaluation** (Design, Durability, Performance)
 - ☐ **Financial Evaluation** (Cost & Affordability)
 - ☐ **Final Weighted Scoring**

◆ How QCBS Prevents Underbidding & Ensures Quality

✓ Discourages Unrealistic Low Bids

- ☐ If a bid is too low, it may indicate **compromised quality**. QCBS ensures that **quality gets a higher weightage** so that bidders cannot win by just lowering prices.

✓ Promotes Long-Term Value Over Initial Cost

- ☐ QCBS considers **operational costs, durability, and lifecycle costs** instead of just the initial price.
- ☐ This ensures that **maintenance, replacement, and efficiency factors** are part of the decision-making.

✓ Encourages Innovation & Performance

- ☐ Bidders with **better technology, stronger materials, and higher efficiency** can score higher in the technical evaluation, even if their costs are slightly higher.

✓ Ensures Fair Competition Among Quality Bidders

- ☐ The system filters out **substandard bidders** by setting **minimum quality benchmarks**.
- ☐ Only those meeting **technical qualifications** move forward to financial evaluation.

Key Considerations to Prevent Underbidding & Ensure Quality in QCBS

Performance-Based Evaluation: Encourages solutions that go beyond bare-minimum compliance.

Material & Durability Focus: Prevents bidders from offering **low-cost, short-lifespan** solutions.

User-Centric Design: Ensures practicality and ease of use, making the product effective.

Life-Cycle Cost Perspective: Evaluates **long-term maintenance & durability**, discouraging cheap, unsustainable materials.

A list of 10 parameters as suggested below, in addition to the standard criteria for technical bids evaluation of bidders will be followed. Technical score would be checked only for those who qualify after scrutiny of technical bids. A ratio of 70:30 is to be followed for calculating weighted scores of each bidders. This is to ensure that only quality material is procured and indiscriminate under-bidding is avoided which leads to poor quality of goods and services being supplied. The technical evaluation of the same will be done by a technical scoring committee comprising of officials from technical, financial and non-technical backgrounds. The scoring will be done based on the physical sample submitted/brought to the evaluation by various agencies on the day of the evaluation, failing to bring. Sample would automatically disqualify the bidder from further process. No exception or extension of time would be admissible for submission of physical sample item. Sufficient amount of time (7 days) would be given to agencies to for making a sample physical item.

The parameters for quality cost based system evaluation are: Table 1

Parameter	Description	Score 0/2/5/7/10)
1. Material Strength & Durability	Cage material's ability to withstand weather, load, and wear.	
2. Capacity & Volume	Total plastic waste storage capacity in litres.	
3. Structural Stability	Cage resistance to tipping, deformation, or collapse.	
4. Ease of Waste Loading & Unloading	Accessibility for users and collection personnel.	
5. Ventilation & Drainage	Design effectiveness in preventing odor, moisture build-up.	
6. Resistance to Corrosion & UV Exposure	Suitability for long-term outdoor use.	
7. Security & Locking Mechanism	Protection against unauthorized access and scavenging.	
8. Portability & Installation	Ease of transport, assembly, and placement.	
9. Aesthetic & Community Acceptance	Visual appeal, signage, and community perception	
10. Cost-Effectiveness & Maintenance	Affordability, lifespan, and required upkeep.	
Total		

Scoring Interpretation:

- ☐ 10 = Excellent (Meets or exceeds expectations)
- ☐ 7 = Good (Minor improvements needed)
- ☐ 5 = Average (Functional but could be improved)
- ☐ 2 = Below Average (Noticeable issues)
- ☐ 0 = Poor (Fails to meet requirements)

Max Technical Score- 100 (for 10 parameters on a 10 point scale)

Example of QCBS Scoring System

Evaluation Criteria	Weightage (%)
Technical Score (Quality)	70%
Financial Score (Cost)	30%
Total Score (Max: 100)	100%

◆ **Final Score Calculation:**

Final score= Technical Score+Financial Score

Where Technical Score is Based on Table 1 as scored by technical scoring committee & Financial score is calculated using, Bid/L1*100.

Sample Technical weightage:

Bidder	Technical Score	Technical weightage (70%)
Bidder 1	80	$0.7*80= 56$
Bidder 2	70	$0.7*70= 49$
Bidder 3	75	$0.7*75= 52.5$

Sample Financial Weightage:

Bidder	Financial Bids	Financial Weightage
Bidder 1	L2= 70	$0.3*L1/L2*100=0.3*60/70*100= 25$
Bidder 2	L1= 60	$0.3*L1/L2*100=0.3*60/60*100=30$
Bidder 3	L3= 80	$0.3*L1/L2*100=0.3*60/80*100= 22.5$

Final Score:

Bidder	Technical Weightage	Financial Weightage	Final Score
Bidder 1	56	25	81
Bidder 2	49	30	79
Bidder 3	52.5	22.5	75

Thus, in this sample process, the contract will be awarded to Bidder 1, with the highest final score, even though Bidder 2 came out as L1.

DECLARATION BY THE TENDERER

(Non Judicial Stamp Paper of appropriate value duly notarized)

I/We inspected the sites of work and have made myself/ourselves fully acquainted with local conditions in and around the site of work. I/We have carefully gone through the Notice Inviting e-Tender and other tender documents mentioned therein. I/We have also carefully gone through the 'Priced Schedule of probable items and quantities.

I/We offered taking due consideration of all factors regarding the local site conditions stated in this detailed notice inviting e-Tender to complete the proposed work in all respects.

I/We promise to abide by all the stipulations of the contract documents and carry out and complete the work to the satisfaction of the department.

I/We also agree to procure tools and plants at my/our cost required for execution of the work.

I/We do hereby solemnly declare that during last 05(five) years no work has been abandoned by me/us, also have not undergone rescission against any work during last five (05) years.

Postal Address & Contact No. of the Tenderer

Signature of Bidder
